Company Name:	Wieland Electric GmbH Brennerstraße 10 - 14 D-96052 Bamberg
Contact:	cfp@wieland-electric.com
Material Description:	SIN 9006 M ESCAPE RELEASE SET
Material Number:	R1.311.9006.0
Weight*:	38 g
Unit:	PCE
Generated on:	04/19/2023

* Total weight of the article does not include packaging and therefore might differ from weights mentioned on data sheet.

Disclaimer

Restricted substances as referenced in the EU directive 2011/65/EU are below limit values or are excempted from the requirements. However, it cannot be excluded that traces or impurities from raw materials, additives or processing materials may be present or detected as ubiquitous traces. We do not perform any investigations for the presence of these substances, but refer exclusively to the information available to us from our raw material and component suppliers.
