Disclaimer

The information provided in our REACH SVHC Substance Declaration forms is based on our current knowledge and experience. We use the information available to us from our suppliers provided in accordance with the European REACH regulation (EC) No. 1907/2006. Therefore, Wieland products contain no substances which are listed in the candidate list in concentrations higher than 0,1% by weight or listed in Annexes XIV or XVII of the REACH regulation, unless indicated otherwise in the below section 'REACH-SVHC'.
In case we are provided with updated information from our suppliers, we will fulfill our obligation to update the declarations in our portal accordingly. Former declarations automatically become void. Therefore, please check the declaration issued in the Wieland e-shop regulary with respect to modifications or changes.
