Product name: Emergency stop Buttons

Type designation: SNH xx... xx = 00 Contact Blocks
 xx = 01 – 07 Actuating Elements
 xx = 11 Emergency Stop Buttons
 xx = 24 Complete Set

Applicant: Wieland Electric GmbH
 Brennerstraße 10-14
 96052 Bamberg

declares under its sole responsibility that the above indicated products are manufactured and tested in compliance to the attached listed directives and standards.

Directive	Standard	Edition
2006/42/EC (MD)	EN ISO 13850	2015
2011/65/EU (RoHS)	EN IEC 63000	2018
	EN 60947-5-1	2017
	EN 60947-5-5	1997 +A2:2017

Note: The emergency stop button is a component that operates with the final equipment. Due to possible influences, the installer must re-qualify the final product regarding the EMC directive again.
